

Bield Housing Association Limited

Advert For Committee Members

Voluntary Committee / Board Members

Bield Housing Association is a national specialist provider of housing, support and care services with the primary objective of enabling older people to lead independent and fulfilling lives. Bield operates across 21 local authority areas, has an annual turnover in excess of £33m, is registered with Communities Scotland and has charitable status.

The Association is led by very active and experienced Board and Committee Members who have overall responsibility for the governance and strategic direction of Bield's work.

As part of our medium term succession plan we are seeking to recruit new Members who have a real desire and interest in helping the Association work with older people to deliver high quality accommodation and services to meet the challenges and opportunities that will arise from the projected demographic changes.

Board and Committee Members are unsalaried but expenses are paid. Interested individuals will need to be able to attend between 4 and 8 meetings each year, held normally in Edinburgh and Glasgow during day-time hours. We are particularly keen to recruit those with a background in one or more of the following areas, audit, development, finance/ICT, housing management, human resources, social work. It is envisaged that recruited Members will be co-opted to one of the Committees of the Board with election to the Board thereafter subject to membership and election at an Annual General Meeting.

We are committed to equality and diversity and welcome approaches from all sections of the community.
